

Standard Operating Procedure: Talent Acquisition and Hiring

1. Requisition: Hiring managers initiate job requisitions via HRIS. All postings require budget approval from the Finance department.
2. Interview Stages: The hiring process consists of: (a) Recruiter Screening, (b) Technical/Role Assessment, (c) Panel Interview, (d) Executive Approval.
3. Background Verification: All conditional offers are contingent upon background checks, education verification, and reference validation.
4. Onboarding: New hires complete orientation on Day 1, receiving security badges, IT assets, and department onboarding schedules.
